Spend the day with a Nobel Peace Prize Winner!

This one day youth leadership conference is designed specifically for 2nd - 7th graders. We will explore compassion, collaborative problem solving, and being a global citizen. There will be fun workshops and activities, as well as the opportunity to interact with Nobel Peace Prize Winner, Rigoberta Menchú Tum.

Who We Are

With 20 years of experience worldwide, the PeaceJam Foundation is the global leader in developing youth and adult leaders engaged in their communities. We accomplish this mission through partnership with 13 Nobel Peace Prize winners, including the Dalai Lama and Desmond Tutu, and award-winning service-learning curricula.

Unity in Community

About Our Laureate, Rigoberta Menchú Tum

In 1996, Guatemala's 36-year civil war ended with a peace accord. Menchú Tum fought to have the Guatemalan political and military establishment tried in court, and ran for President of Guatemala in 2007 and 2011. She also established WINAQ, the first official indigenous-led political party in national history. Rigoberta Menchú Tum has joined her sister Nobel Peace Laureates to form the Nobel Women's Initiative, to shine the light on women and children's rights around the world. Menchú Tum has been a member of PeaceJam since 1996.

Family Groups & Mentors

University and high school students are trained to lead small reflection groups where students debrief the social justice issues discussed during PeaceJam Conference.

Service Projects & Workshops

Preparing students to be change-makers through volunteer projects and engaging workshops that teach 21st century skills.
