

March 24, 2018 - YOUTH LEADERSHIP Slam

Keynote Speaker - Philippe Hensmans. Director of Amnesty International Belgium

Nobel Laureates Mentoring Youth to Change the World

This one day youth leadership conference is designed specifically for secondary students. We will explore compassion, collaborative problem solving, and being a global citizen. There will be fun teambuilding games and activities.

Who We Are

With over 20 years of experience worldwide, the PeaceJam Foundation is a global leader in developing youth and adult leaders engaged in their communities. We accomplish this mission through partnership with 14 Nobel Peace Prize winners, including the Dalai Lama and Desmond Tutu, and award-winning service-learning curricula. In Belgium, PeaceJam is hosted by the four universities KUL, VUB, ULB and UCL.

Youth Leadership Slam

Keynote Speaker: Philippe Hensmans

This year we have the honor of hosting the director of Amnesty International Belgium, Philippe Hensmans. He'll be discussing the impact of his organization, as well as how youth can also be empowered to work within their own communities to protect civil liberties and make change.

Family Groups

University and college-aged students are trained to mentor secondary students and lead small reflection groups where students debrief the social justice issues discussed during PeaceJam Conference.

One Billion Acts

A global citizens' campaign led by PeaceJam's 14 Laureates and students to engage the world to address the most pressing issues facing our planet. Students will have the opportunity to learn more about the issue for which they have the most passion and interest.
